We offer top-notch instruction and the most reliable flatwater learning environment right in front of the center. We are passionate about helping our students master this incredible sport and join our thriving kite community.

Forget deep water struggles. Panama Kite Center is the only school on the shallow, protected flatwater lagoon. This unique environment lets you stand comfortably and dramatically accelerates your board control and offers the easiest, safest path to becoming an independent kiter.

IKO CERTIFIED THE GLOBAL STANDARD

Panama Kite Center is proud to be the only IKO Certified Kite School in Panama. This guarantees all instructors are professionally trained and verified by the International Kiteboarding Organization (IKO). You learn from experts who follow the highest global standards for safety and verifiable teaching quality.

ALWAYS CONNECTED INSTANT FEEDBACK

At Panama Kite Center, the best tools are standard. We include personal radio headsets in every lesson package. While others charge extra for this essential feature, we believe constant, clear instruction is non-negotiable for the fastest, safest route to your kiteboarding journey.

RENT, BUY AND RIDE! YOUR KITE SHOP

Once ready to ride alone, as a next step you can rent or buy premium equipment from us. We are the official Panama distributor for top brands like CORE and Cabrinha, ensuring you get the best gear for your kitesurfing journey.

MORE THAN A SCHOOL. YOUR KITING COMMUNITY

We believe the passion for kiting should be shared! Panama Kite Center naturally attracts a vibrant mix of nationalities and backgrounds. Come connect with fellow kilters, make lasting international friendships, and share the stoke—whether you're on the water or enjoying a post-session drink at our restaurant.

REFUEL & RELAX. OUR RESTAURANT

Wind down after an intense session at our casual beachside restaurant. It's the ideal spot to relax with a cold drink, enjoy great food, and soak in the vibrant atmosphere. Connect with fellow kilters and watch the sunset.

SLEEP AT THE SPOT. ON SITE ACCOMMODATION

Maximize your time on the water by staying on-site. We offer comfortable studios and glamping tents located right at the lagoon. Sleep soundly and be the first one on the water! Our convenient location and air-conditioned units mean you spend zero time driving and all your time kiting.
